

## INDEPENDENT AUDITOR'S REPORT ON REVIEW OF CONSOLIDATED UNAUDITED FINANCIAL RESULTS

TO THE BOARD OF DIRECTORS OF

Brookprop Management Services Private Limited (the "Manager")  
(Acting in capacity as the Manager of Brookfield India Real Estate Trust)

1. We have reviewed the accompanying Statement of Consolidated Unaudited Financial Results of **Brookfield India Real Estate Trust** ("the Parent") and its subsidiaries (the Parent and its subsidiaries (as listed in note 3 of the consolidated financial results) together referred to as "the Group") and its share of net loss after tax and total comprehensive loss of its joint venture, for the quarter and nine months ended 31 December 2025 ("the Statement"), being submitted by the Manager pursuant to the requirement of Securities and Exchange Board of India (Real Estate Investment Trusts) Regulations, 2014 as amended (the "REIT Regulations"), and pursuant to requirement of Regulations 52 and 54 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").
2. This Statement, which is the responsibility of the Manager's Board of Directors, has been prepared in accordance with REIT Regulations, Listing Regulations, the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India ("ICAI"). This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing ("SAs"), issued by the ICAI, and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.  
  
We have also performed procedures in accordance with regulation 13(5) of the REIT Regulations, as amended, to the extent applicable.
4. Based on our review conducted and procedures performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with: (i) the REIT Regulations, which prevails over certain Ind AS requirements as explained in the Emphasis of Matter paragraph 5 below, (ii) the Listing Regulations and; (iii) the recognition and measurement principles prescribed under the relevant Ind AS and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of REIT Regulations and, Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. We draw attention to Note 5 of the Statement, which describes the presentation of "Unit Capital" as "Equity" to comply with the REIT Regulations. Our conclusion is not modified in respect of this matter.

b) Debt Equity ratio= Total Debt (including lease liability) / Total Equity  
c) Debt Service Coverage Ratio = (Earnings available for debt service) / (Interest expense (excluding unwinding interest & Interest expense on lease liabilities) + Principle repayments made during the period which excludes bullet and full repayment of external borrowings + Lease payments)

f) Bad debts to Account receivable ratio = Bad debts (including provision for doubtful debts) / Average trade receivable  
g) Current Liability Ratio =Current Liability / Total Liability  
h) Total debts to Total assets; =Total debts (including lease liability) / Total assets;  
i) Debtors turnover =Revenue from operations (Annualized) / Average trade receivable  
j) Operating margin =(Earning before interest, depreciation and tax - Other income- Interest income) / Revenue from operations  
k) Net profit margin =Profit after tax / Total Income

Brookfield India REIT considers “other assets” as an integral part of the ownership of the real estate assets which are fair valued by the valuer appointed under the REIT regulations and therefore are included in the value of REIT assets for computing the above ratio.

Fair value of Investment property and Investment property under development include impact of lease rent equalization and finance receivable relating to income support. Hence the carrying amount of lease rent equalization and finance receivable relating to income support have been reduced from other assets.

Fair value of Investment property and Investment property under development include fair value pertaining to a property, which is for captive use w.e.f. 27 December 2024 and hence classified as property plant and equipment in the consolidated financials. Therefore, the carrying amount of said property has been excluded from other assets as on 31 December 2025, and 31 March 2025.

\*Brookfield India Real Estate Trust holds 50% ownership interest in Rostrum Realty Private Limited and is accounted as an equity method investee. The proportionate share of 50% of the borrowings, cash & cash equivalents and REIT assets of Rostrum Realty Private Limited and its subsidiaries is considered for computing the Net Borrowings Ratio.

# Fair value of Investment property and Investment property under development is considered as per valuation report of 30 September 2025 issued by the valuer appointed under the REIT Regulations, except for Arliga Ecoworld. For Arliga Ecoworld, the average of the fair values as of 30 September 2025 as determined by two independent valuers appointed under the REIT Regulations is Rs. 140,441.00 million and acquisition price is Rs. 130,250.00 million after providing discount of 7.26%. For the statement of borrowing ratio, acquisition price i.e. Rs. 130,250.00 million is considered as fair value. Had we considered the average of the fair values as of 30 September 2025 as determined by two independent valuers appointed under the REIT Regulations i.e. Rs. 140,441.00 million, the net borrowing ratio would have been 33.52%.

## Fair value of Investment property and Investment property under development is considered as per valuation report of 30 September 2024 issued by the valuer appointed under the REIT Regulations.
